2009: Amount raised \$202,000

**Format:**

A 5K (3.1 mile) fundraising walk and a 10K (6.2 mile) run on the scenic trails of Beaver Lake Nature Center.

**AIDS Community  
Resources:**

AIDS Community Resources (ACR), a not-for-profit 501(c)3 organization, was founded in 1983. Its mission is to respond to the AIDS epidemic by working to: prevent the incidence of HIV infections; enhance the quality of life for people infected/affected by HIV/AIDS; collaborate in communities to address HIV/AIDS related needs in the Central, Northern, and Mohawk Valley regions of New York State; facilitate access to available resources; and end discrimination.

**Where the  
Money Goes:**

**Teen AIDS Task Force (TATF):** This teen-centered peer leadership program focuses on topics such as self-esteem, healthy relationships, drug and alcohol prevention, healthy nutrition, and promotion of sexual health and safety. Funds raised will also support our DIVAS (Discovering Important and Valuable information About Self) program, an after school program targeting at-risk African-American and Hispanic adolescents. These programs reach more than 6500 youths per year.

**Q Center:** With a mission to promote health, safety, and empowerment for lesbian, gay, bisexual, transgender, and questioning youth ages 13-22, the Q Center in Syracuse is regarded by youth as their only safe gathering place. Last year, 237 young people and their families regularly participated in Q Center activities.

**Emergency Basic Human Needs:** An ongoing stabilization initiative that provides HIV-infected individuals and their families with food, personal care items, household items, and clothing during critical times.
