

Did you know: that half of those infected with HIV are under the age of 24 or that one in four teenaged girls has an STD?

We have work to do! We must prevent the spread of HIV and other STDs.

I am participating in the 13th **Annual AIDS Hike for Life** on Sunday, May 1 at Hamilton College. This event benefits AIDS Community Resources (ACR). **100% of the money raised from the AIDS Hike for Life stays right here in Mohawk Valley to pay for youth education programs that teach young people how to stay safe from HIV and STDs.**

Please support me by clicking on (insert link to your fundraising page here) and donating - dig deep, the sky's the limit! Your donation is fully tax-deductible.

Thank you for supporting me and my vision of an HIV/AIDS free world!
